CERTIFICATE III IN EARLY CHILDHOOD EDUCATION AND CARE

ABOUT YOUR COURSE

Our CHC30121 Certificate III in Early Childhood Education and Care is the newest industry focused qualification and recognised as the entry level into the childcare industry.

The course has been specifically designed to develop students for the broad range of services supporting children in a care setting. Students who complete this qualification are able to work in a range of early childhood education settings, working within the requirements of the Education and Care Services National Regulations and the National Quality Standard.

Our practical placement program will provide you with real learning opportunities within a childcare setting allowing you to develop and showcase your skills.

COURSE DATES

Commencing: Weekly

Theory Completion: Twenty (20) week program;

Practical Placement: Will take place within a Childcare Facility on Monday's and Tuesday's each week or at the completion of theory. You will need to complete 160 hours within an approved facility.

Homework: Students are also required to undertake flexible self-directed learning activities in addition to formal scheduled learning.

“Great learning experience. Wonderful lecturer... great support from AEATS team. Definitely recommend this course” - Kathryn Collins

A NEW WAY OF LEARNING

Our program has been specially designed to capture the benefits of a TRAINER LED PROGRAM whilst providing the flexibility for students to learn remotely whilst not compromising on the quality the industry demands and support our students need. This is a highly interactive program.

WORKING WITH CHILDREN

Students are required to obtain a Working with Children card. The facilities in which AEATS are associated reserve the right to reject students who do not hold an approved card prior to practical placement commencement.

You will be required to obtain your Working with Children card after enrolling but prior to week five (5) of your course.

PRACTICAL PLACEMENT

AEATS has a dedicated practical placement coordinator who assist you to find your placement.

Students are required to undertake 160 hours of practical placement within an AEATS approved work environment.

- Placements are undertaken on a voluntary arrangement (If you're already employed in the industry, discuss the site supervision requirements with the practical placement coordinator, as assessments do take place during practical placement which will need to be observed by an AEATS Assessor and approved workplace supervisor).
- Placements are undertaken according to the facilities' schedules, with most on rotating morning or afternoon shifts. Rosters are controlled by the facility.
- Practical Placements are completed Mondays or Tuesdays over an estimate of fourteen (14) weeks period with a full one (1) week period completed at the end of theory classes, or until the 160 hours is completed.
- AEATS students will not participate in placement hours on weekends or public holidays.
- Facilities reserve the right to reject students who do not have a clear Working with Children clearance.
- Students must identify themselves at enrolment should they not be Covid vaccinated. Some childcare facilities may not accept students who are not vaccinated.
- Student will require comfortable closed in shoes and work placement appropriate attire.
- Practical placement is a mandatory component of the program and must be successfully completed before competency can be achieved in most units.
